Standing Budget Committee Meeting

The Spalding Community Services District welcomes, appreciates and encourages participation in the District's Committee Meetings. The Committee requests that you limit your presentation or comment to five minutes per person so all who wish to participate may have the opportunity to do so, at the discretion of the Committee. The Committee reserves the right to reasonably limit the total time for public comment on any particular noticed agenda item as it may deem necessary. Online and telephonic access does not guarantee the public the ability to observe the meeting in the event there is a disruption or connectivity issues that affect broadcasting. All remote attendees are expected to remain muted except for the time reserved for public comment to avoid any potential disruption of the meeting and to preserve appropriate decorum. Members of the public who want to be assured that they have the ability to observe the meeting and make comment during the meeting, should attend the meeting in person.
