Silver Saver Membership Agreement

This is not an application for an insurance policy. Please read and sign the application form and mail with your membership fee.

- I understand that the membership fee for REMSA's Silver Saver covers my portion of REMSA's paramedic ambulance services that are medically necessary, and that are applied to my co-insurance or deductibles by insurance or Medicare. "Medically necessary" is defined as a specific need for ambulance transportation to or from a health care facility (such as hospital or nursing home) for any type of call (such as a 911 emergency call, a non-emergency request, or an inter-facility transfer) within REMSA's primary service area, where use of other forms of transportation, such as private car or taxi, would be medically inappropriate. I understand that REMSA can require physician certification of medical necessity. I understand that if abuse of the service is found to exist, my membership may be terminated.
- I understand that my Silver Saver membership covers those persons who permanently reside in my household and who are included on this application. A "household" is defined as all persons who permanently reside at the "Head of Household's" physical address listed on the Membership Application or in a nursing home.
- I understand that Silver Saver membership does not cover the service of Care Flight, the emergency medical helicopter service operated by REMSA, or Med-Express Transport.
- I understand that Silver Saver is not an insurance policy, nor is it meant to be a substitute for health insurance. I agree that if I have no insurance or other health coverage, or if my insurance company or other health benefits payer denies payment to REMSA because it determines that my ambulance services were not payable, I will be responsible for the payment of the fees for those services. I agree to pay the fees less a 20 percent discount granted by REMSA because I am a Silver Saver member.
- I understand that this membership plan does not cover the service given by other providers, including other 911 providers who provide back-up.
- Medicaid patients receive full coverage for services. Therefore, there is no reason for Medicaid patients to become Silver Saver members.
- I understand that the program limits the number of transports per household membership to 10 per year.
- I understand that my membership is non-transferable and non-refundable.
- ASSIGNMENT OF BENEFITS:

I understand that my Silver Saver membership is not an insurance plan and that REMSA will bill and receive payments from my insurer or third party (such as Medicare, Blue Cross, etc.). I hereby authorize all benefits to be made directly payable to REMSA. If I have Medicare, I request that payment or authorized Medicare benefits be made on my behalf to REMSA for any ambulance service provided to me by REMSA. If I receive payment from Medicare or my insurance company, I will immediately forward that payment to REMSA. If I do not, I understand that my membership may be terminated and I will be billed full charges for REMSA services. I acknowledge that I am responsible for payment of ambulance services.

- LIFETIME SIGNATURE AUTHORIZATION:

To facilitate processing, I authorize the release to REMSA, the Centers for Medicare and Medicaid Services, or other insurer of any medical information or documentation held by anyone necessary to process a claim now or in the future, and further assign and authorize such payments to REMSA. I permit a copy of this authorization to be used in place of the original.

Flight Plan Membership Agreement

This is not an application for an insurance policy.

• I understand that my Flight Plan membership fee covers my portion of Care Flight's services that are applied to co-insurance or deductibles by insurance or Medicare for medically necessary transports. "Medically necessary" is defined as specific need of air ambulance transportation to the nearest medically appropriate hospital as requested by a physician or as directed by state/county protocols.

• I understand that Flight Plan is not an insurance policy nor is it meant to be a substitute for health insurance. I agree that if I have no insurance or other health coverage, or if my insurance company or other health benefits payer denies payment to Care Flight because it determines that my air ambulance services were not medically necessary, I will be responsible for the payment of the fees for those services, less a 20% discount because I am a Flight Plan member.

• I understand that my Flight Plan membership covers those persons who are permanently residing in my household and who are listed on my application. A "household" is defined as all persons who permanently reside at the "Head of Household's" physical address listed on the Membership Application or in a nursing home.

• I understand that Flight Plan benefits only apply when a Flight Plan member is transported by Care Flight or a reciprocating program (see list of programs).

• I understand that Flight Plan membership does NOT cover the services of REMSA or SEMSA's ground ambulance service.

• I understand that the Flight Plan membership program may be cancelled at any time for any reason.

• I understand that my membership is non-transferable and non-refundable.

• I understand that Medicaid/Med-Cal recipients are not eligible for Flight Plan membership due to their own policies, and I verify that I am not a Medicaid/Medi-Cal recipient.

• I understand that the effective date for my membership is the date that Care Flight receives my completed and signed Membership Application and fee, and is effective for one year.

• ASSIGNMENT OF BENEFITS:

I understand that my Flight Plan membership is not an insurance plan and that Care Flight will bill and receive payments from my insurer or third party (such as Medicare, Blue Cross, etc.). I hereby authorize all benefits be paid directly to Care Flight. If I have Medicare, I request that payment or authorized Medicare benefits be made on my behalf to Care Flight for any air ambulance service provided to me by Care Flight. If I receive payment from Medicare or my insurance company, I will immediately forward that payment to Care Flight. If I do not, I understand that my membership may be terminated and I will be billed full charges for Care Flight services. I acknowledge that I am responsible for payment of air ambulance services.

• LIFETIME SIGNATURE AUTHORIZATION:

To facilitate processing, I authorize the release to the Centers for Medicare and Medicaid Services or other insurer of any medical information or documentation held by anyone necessary to process a claim now or in the future, and further assign and authorize such payments to Care Flight. I permit a copy of this authorization to be used in place of the original. If I receive payment from Medicare or may insurance company, I will immediately forward that payment to Care Flight. If I do not, I understand that my membership may be terminated and I will be billed in full for all services rendered.

• The Flight Plan Membership Program is not insurance. You will not be covered if transported by an air ambulance company other than Care Flight or a AAMMP reciprocating program. See the web site http://care-flight.com/flightplan.html for a current list. Air ambulances sent in an emergency are determined by the 911 Emergency System. The closest aircraft will be sent. This may also occur if Care Flight is unable to respond within a medically appropriate period due to all aircraft being on other calls, weather, or maintenance issues. Reciprocity between AAMMP member programs is subject to the reciprocating program's rules.

Every person over the age of 18 must sign this application form. *Then mail to Care Flight with your membership fee in the postage-paid envelope provided. Care Flight is a division of REMSA, and aviation services are provided by Air Methods Corporation, QMLA253U. Care Flight is compliant with HIPAA regulations.
