Standing Sewer Committee Meeting

The Spalding Community Services District welcomes, appreciates and encourages participation in the District's Committee Meetings. The Committee requests that you limit your presentation or comment to five minutes per person so all who wish to participate may have the opportunity to do so, at the discretion of the Committee. The Committee reserves the right to reasonably limit the total time for public comment on any particular noticed agenda item as it may deem necessary. Online and telephonic access does not guarantee the public the ability to observe the meeting in the event there is a disruption or connectivity issues that affect broadcasting. All remote attendees are expected to remain muted except for the time reserved for public comment to avoid any potential disruption of the meeting and to preserve appropriate decorum. Members of the public who want to be assured that they have the ability to observe the meeting and make comment during the meeting, should attend the meeting in person.

**Sewer Committee Meeting
(The 1st Tuesday of the Month)
1:00 PM**

May 5, 2026

Note For Public Comments

Members of the Public may provide public comments on any item on the Committee's agenda or on any item that is within the subject matter jurisdiction of this Committee. Public comments are limited to five (5) minutes (unless the Committee specifies a different period of time). Comments by members of the public on an item that appears on the agenda will only be allowed during consideration of the item by the Committee.

In an effort to save time and resources Agenda Attachments can be requested in the office (.45 Cents/Page)

Old Business:

5. **Pond Liner Repair Update** – Mike Garcia
We have moved forward with Carson Manufacturing and put our 10% (\$845) down payment to get it scheduled. They are coming out Tuesday 5/19 to do a full day's worth of repairs. It would be worthwhile for us to inspect and prioritize additional tears.

Public Comment
6. **Check Valve Update** – Mike Garcia
Due to the age of our check valves, parts may or may not be available. We would recommend pulling one unit to clean inspect and fit for parts.
